Oh God

You are the source of all life.

**As we drink of the life giving water you so
freely offer**

**may we always be people of acceptance,
conversation and coexistence.**

**May your unity be in us as we work together
recognising that we need each other to reach
our fullness in you.**

**As we receive refreshment from you and
others, may we be open to the promptings of
the Holy Spirit through Jesus Christ our Lord.**

Amen
